by the numbers

At Edmunds, we love data as much as we love cars. So here are the stats on our beautiful new Santa Monica #Edquarters.

- 143000** square feet of indoor and outdoor workspace
- 19000** total area, in square feet, of custom whiteboard walls—half a football field’s worth—to sketch, design and innovate
- 6000** pounds of two Corvettes rotating above reception
- 2472** total number of Matchbox and Hot Wheels cars that create the Edmunds logo mosaic at our coffee bar
- 2016** and 1966 – model years of the rotating Corvettes, commemorating Edmunds’ 50th anniversary
- 1948** year of our iconic Cadillac Fleetwood—now repurposed as a beer tap, coffee stand and DJ booth
- 1320** gallons of saltwater in our two fish tanks combined
- 160** number of fish who call our new fish tanks “home”
- 150** square feet of outdoor screen—for movie nights in the atrium
- 130** feet of sliding glass, creating an indoor/outdoor workspace
- 32** the length, in feet, of our custom stainless steel 2-floor slide
- 9** minutes it takes Expo Line commuters to walk between our office and LA Metro’s Bergamot station
- 6** 5, 4 – the number of private telephone rooms, meditation rooms and mothers’ lounges, respectively
- 4** flavors of complimentary frozen yogurt served daily
- 1** awesome workspace!
